January 31, 2011

Dear Neighbor,

The Flower Estates Civic Association's board actively continues to look out for the interests of our neighborhood, quality of life, and property values. In order to be successful, we need your input, volunteer efforts, and financial support. If you haven't paid your \$35 dues for calendar year 2011, please mail your payment to the address below. If you have paid, THANK YOU!

At December's Annual General Meeting, we had a good turnout and have decided to hold this meeting each year in early December, with social events at other times.

Thanks to Izzo's and Italian Pie for the great food they provided at the meeting!

Some of the issues the board will be focusing on in 2011 are highlighted below:

****Restoration of Flowers Bayou in conjunction with the parish, Wildlife and Fisheries and DEQ.**

****Maintenance of and future uses of the Park, with a Park Committee now in place.**

****Implementation of the new Electronic Information System, available to dues-paying residents only. We will use this system to notify residents of important issues, alerts, and neighborhood updates in the event of a hurricane or other disaster.**

****Colonial Pinnacle/Nord du Lac development. (NO BIG BOXES!)**

****Monument signs for subdivision entrances.**

Please contact board president John Burckell at 234-9093 or burckell@aol.com or any board member regarding your comments or concerns on any issues you may have regarding what your association is doing for you. Board member contact information is posted at www.flowerstates.com.
